### **Pioneering Poles**

We have a limited amount of pioneering poles in various lengths. The length reaches from 1,2 m to about 4m.

We can offer each group approximately 15 poles for pioneering in different lengths. This number may be less during the high season.

It is strictly forbidden to modify or cut the pioneering poles. We do not offer any kind of ropes or material for pioneering. Please bring your own ropes.

There is also a possibility to buy ropes in Tbilisi.

The pioneering poles are free of charge.

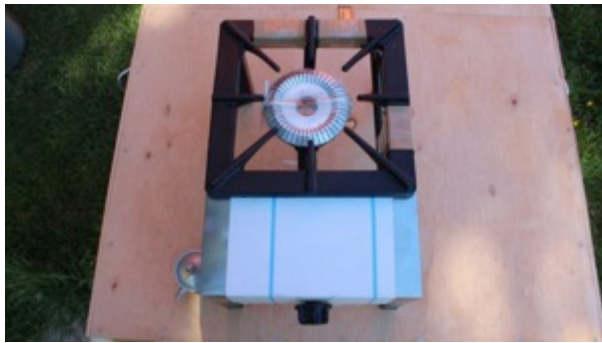

### Propane Gas

Propane gas comes in the normal 15 kg bottles, which fit most European gas regulators. We also have a small amount of gas regulators available . Other gas canisters can be bought in the market/“Bazar“ Rustavi, although only the most common types are available (e.g. Campinggaz).

Price: 2 USD per kilo

Damage Fee: 50 USD per bottle

Gas regulator deposit: 10 USD per regulator

### Gas Stoves

We have 2 gas stoves available. Each stove has two rings and comes with a hose and a gas regulator. The cost for gas bottles required is not included in the price for a stove.

Price: 3 USD per day

Damage Fee: 40 USD

The following **tents** are available for rent by ISCR. They must be booked in advance through our Reception. If you choose our rental tents, please handle them with care. Apart from a lot of time the maintenance costs a lot of money. When you arrive on site your booked tents will be ready for you. It is your responsibility to pitch the tents and also to make sure they are clean and taken down before departure.

### Sleeping Tents

If you book rental tents please let us know how many people you are in total and if you need to have separate male and female and/or leader and children accommodation so that we can give you the right amount of tents. It is not possible to get more tent space than people in your group.
